TRUMP'S WAR OF CHOICE

In the days following our attack on Iran in late February, President Trump and his henchmen—Hegseth, Rubio and Waltz—struggled to fabricate a rationale for their extreme military action, often contradicting each other and even themselves on the same day. Was it that Iran posed an imminent threat? Was it action demanded by halted negotiations, or perhaps it was the need for regime change? Finally Trump landed on what has to be the most inane, vague justification in history: He had "a feeling" that Iran was going to attack first. *A feeling?*

Let's go back to the facts: Negotiations with Iran prior to the U.S.-Israeli offensive were on track to yield an even better nuclear deal than the 2015 Joint Comprehensive Plan of Action (JCPOA) reached under Obama. Of course, the recent negotiations wouldn't have been necessary had Trump not pulled out of the JCPOA in 2018. But still, he could have continued and called the new deal a huge win.

Instead, he attacked Iran while negotiations were active. Clearly, he *wanted* to go to war—despite repeated campaign promises to his MAGA base that "I'm not going to start wars. I'm going to stop wars." But why? To prove that he can do any damn thing he wants? Or to distract from his failed economic policies here at home and, of course, the Epstein files? Or all of the above?

Not only do we have a madman who goes to war on a whim, without consulting allies and without prior authorization from Congress. He's also not good at it! In fact, we have a President so wholly unprepared and inept as to be surprised by the closure of the Strait of Hormuz and its devastating effects on the world's economy. Then he blasts those same allies he refused to consult for not helping him out of this horrific mess.

And the mess is escalating daily. At press, the conflict is well into its second month—despite repeated assurances of it lasting two weeks. It has expanded to engulf the entire region, and we are now at a point where our President has threatened to obliterate civilian infrastructure and commit war crimes. You know, our "feeling" is that this man who would be king is unfit to lead and needs to be removed from office.

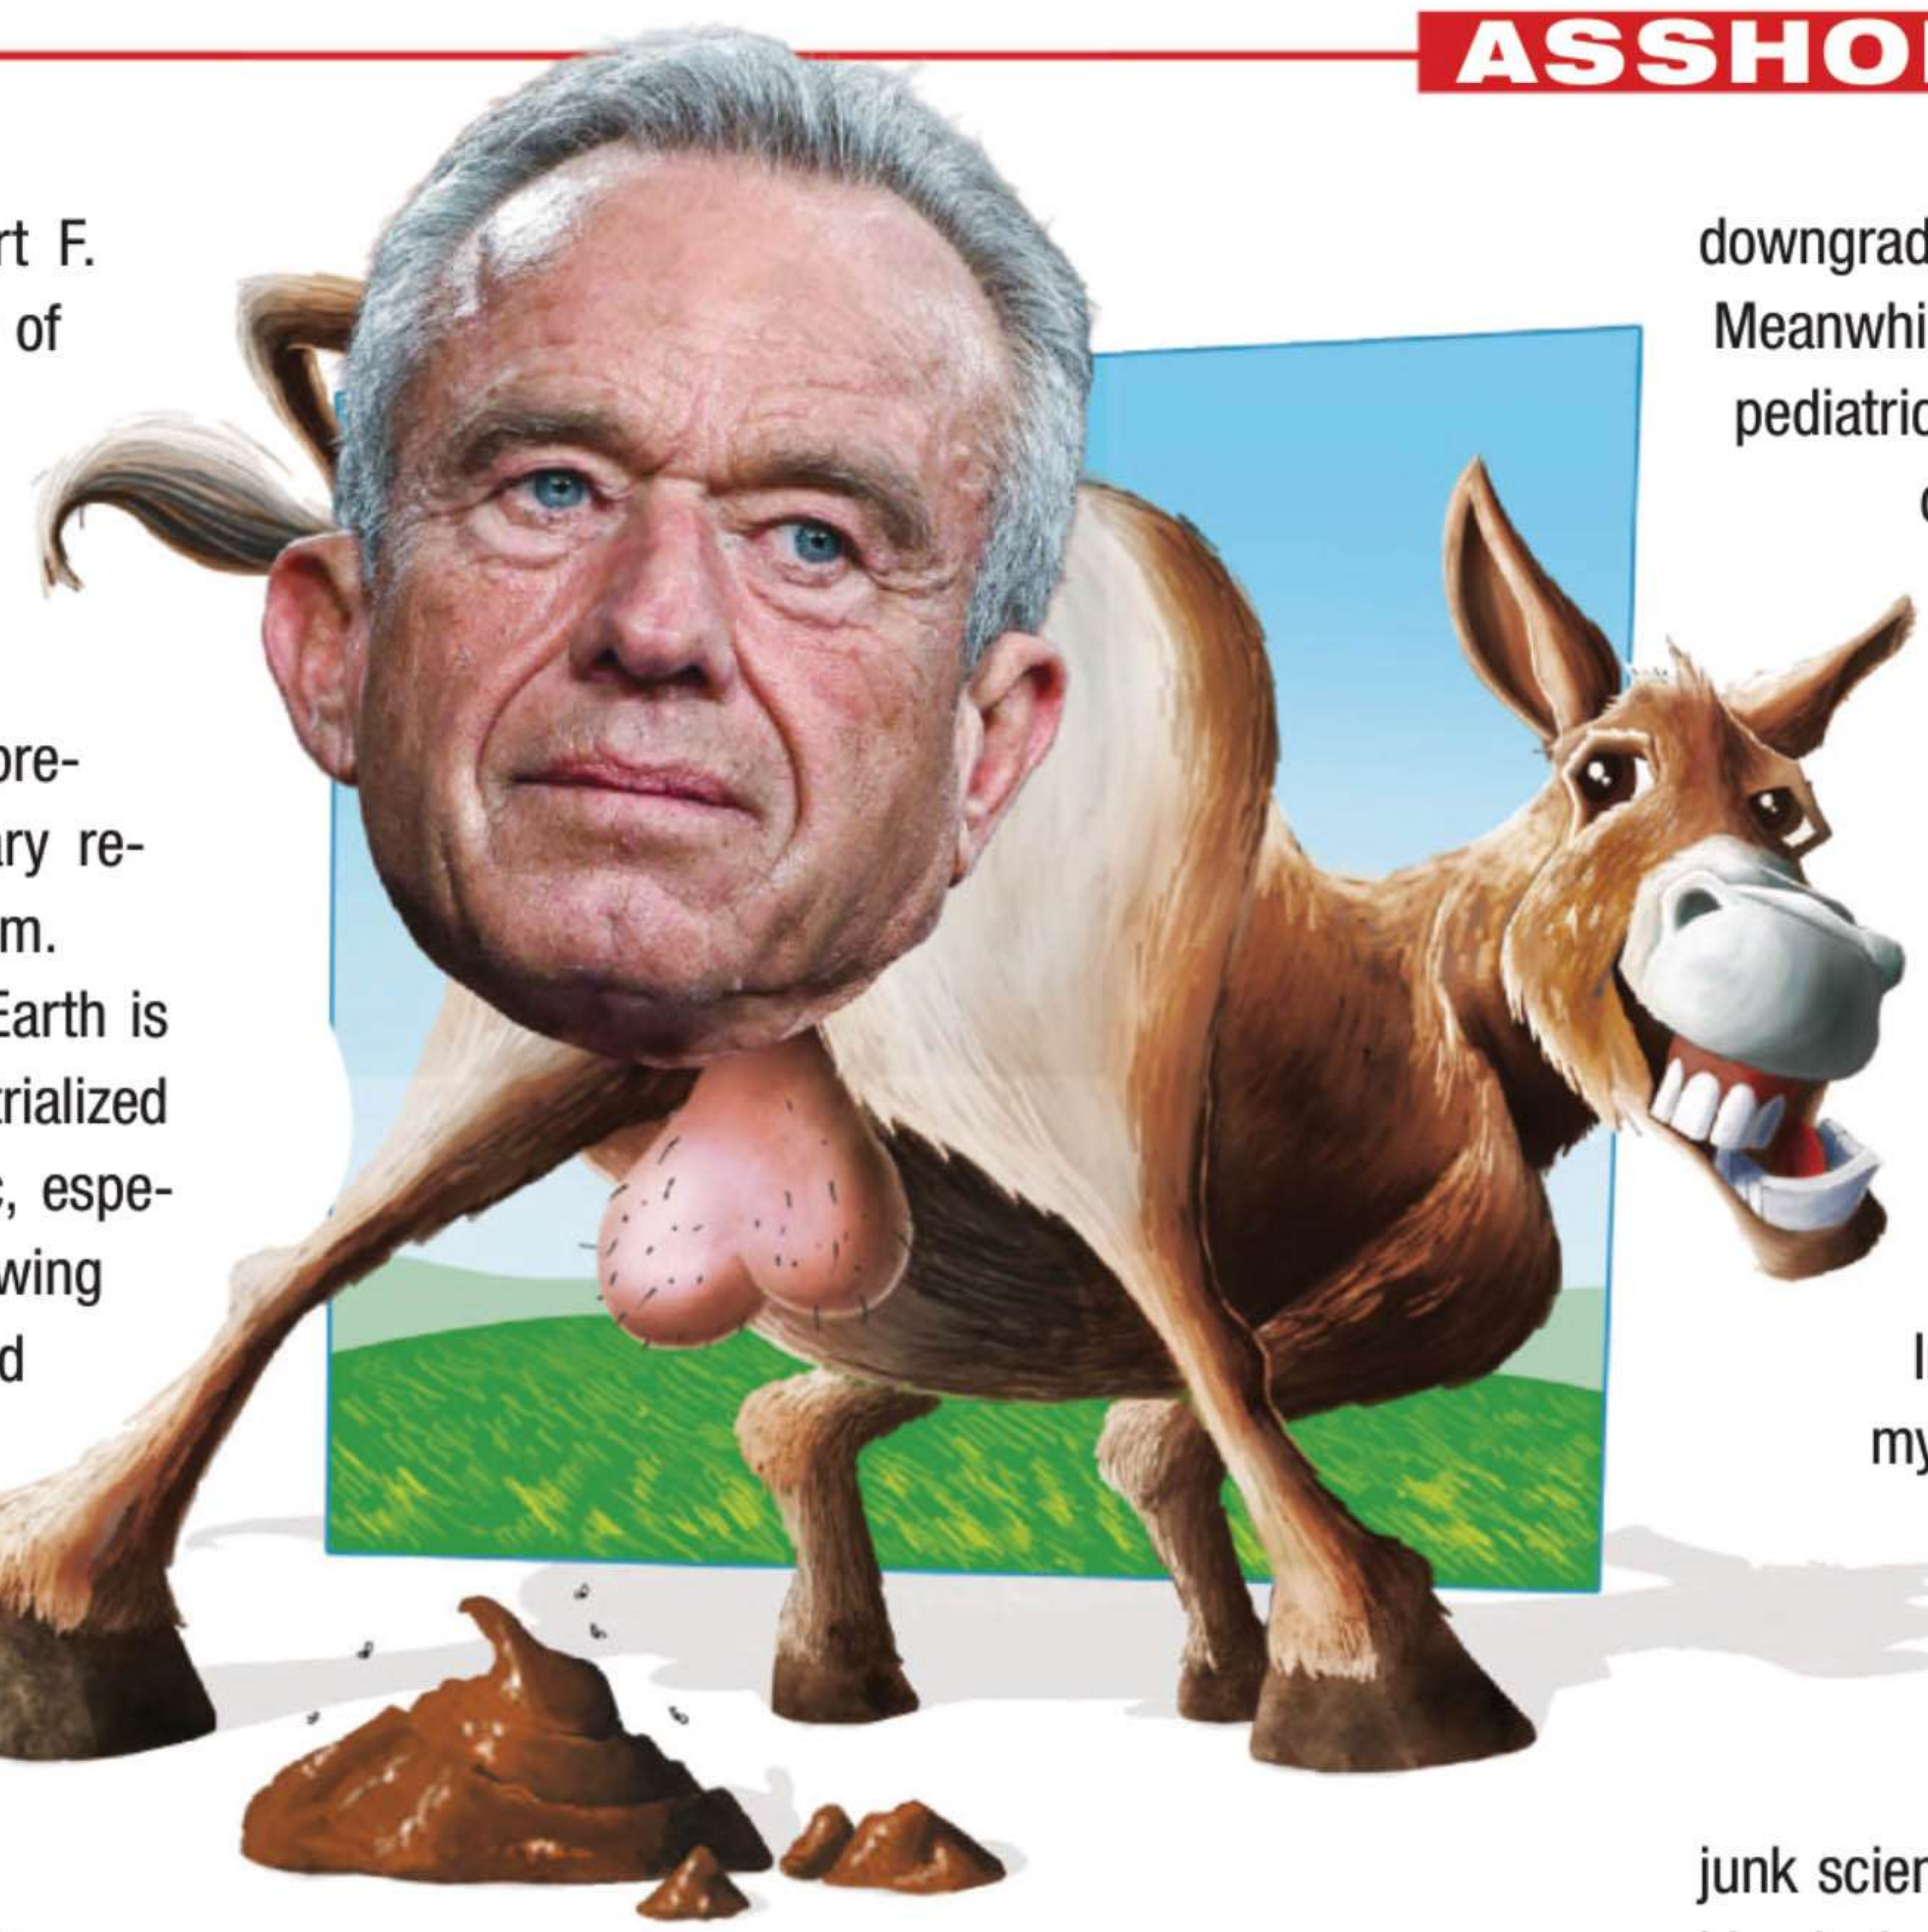
"The Trump Administration fucked everything up!"



ROBERT F. KENNEDY JR.

When Trump appointed Robert F. Kennedy Jr. as his Secretary of Health and Human Services (HHS), there was a howl across the land that he was too radical and conspiracy minded for the job. Yet some hoped that his better instincts would prevail and he would kick-start necessary reforms to our shameful healthcare system.

Face it: The wealthiest nation on Earth is one of the least healthy among industrialized nations. The chronic disease epidemic, especially among young people, is a growing travesty. In 2025 a CDC study showed that roughly 60% of adults aged 18 to 34 now have at least one chronic condition. Maternal mortality in America is higher and the average life span lower when compared to countries in Europe and Southeast Asia—countries with universal healthcare systems that do not bankrupt citizens who fall gravely ill. And Americans pay far more for prescription drugs, even though the companies producing most are based in the U.S. We spend more per capita on healthcare than all other advanced nations, while not even hitting the top 40 in life expectancy. For the wealthy who can afford it, we have the best healthcare in the world. As for the rest of us, well, we're kind of fucked.

Though RFK Jr. has correctly identified some of the above problems, his habitual contrarian mindset and obsession with fringe medical theories have made healthcare in America even worse. He has no experience as a medical doctor, research scientist or healthcare administrator. In fact, it's amateur hour on steroids. After a little over a year of serial bungling, here's the rap sheet for our HHS honcho:

Kennedy claimed that his Make America Healthy Again (MAHA) Commission would set a new "gold standard" for scientific research. But the Commission issued a sweeping report in May 2025 about ultraprocessed foods, pesticides, prescription drugs and childhood vaccines that cited studies and sources that don't even exist in many cases, were mischaracterized in others, and were riddled with missing links, incorrect authors and other flagrant errors. It's more like a *fool's gold* standard. *The Washington Post* observed that some of the references in the report included "oaicite" markers, which suggest that they were generated by Artificial Intelligence (AI), now notorious for "hallucinations" and producing weird fabrications out of left field. We know that Kennedy pushed the Food and Drug Administration to use an Artificial Intelligence (AI) program, Elsa, to expedite the rollout of new drugs, and CNN reporting showed that Elsa actually invented studies and facts that don't exist. It appears AI is capable of fibbing as much as the human parents who gave birth to it.

Like Elon Musk with the Department of Government Efficiency (DOGE), Kennedy revved up a chainsaw to slash the HHS workforce, announcing plans last year to cut 20,000 positions! When confronted in Congress about this bloodbath at his first hearing in May 2025, he said no "working scientists" had been fired or forced into early retirement, a blatant lie. Then he made drastic cuts to the National Institutes of Health's funding of medical research, including infant safe-to-sleep campaigns that decrease crib deaths and clinical trials for new cancer cures, in addition to canceling $500 million for mRNA vaccine research projects. According to research tracker Grant Witness, 4,400 NIH grants were stopped, with an additional 1,000 grants frozen. Hundreds of clinical trials affecting tens of thousands of participants have been impacted—clinical trials that may well have helped outcomes for or even cured cancer, dementia, HIV…

But vaccine policy is where RFK Jr. has done the most damage. Contrary to a pledge made during his confirmation hearing, he disbanded the Centers for Disease Control and Prevention's (CDC) expert vaccine advisory group, the Advisory Committee on Immunization Practices (ACIP), and replaced them with fellow anti-vaxxers who have exaggerated the number of vaccines that children receive, falsely claimed that vaccines are not tested for safety, and theorized that vaccines may be responsible for the rate of autism in this country, despite multiple peer-reviewed studies over the years debunking this claim.

All of the above has resulted in declining vaccination rates for children, which in turn has resulted in runaway measles outbreaks in many areas of the country. In 2025, measles cases hit a *34-year* high, with 2,144 confirmed cases. In addition, RFK Jr. canceled the CDC's flu vaccination ad campaign and downgraded recommendations for childhood shots. Meanwhile, the 2024-2025 season saw record-high pediatric deaths from flu, with roughly 90% of the children who died being unvaccinated.

Back in May 2025, Kennedy announced that the Centers for Disease Control and Prevention would stop recommending COVID-19 vaccines for pregnant women and healthy children. This was a diktat, or decree, that completely bypassed the agency's normal review process for altering vaccine schedules. Dr. Sean O'Leary, chair of the Committee on Infectious Diseases for the American Academy of Pediatrics and assistant professor of pediatrics at the University of Colorado School of Medicine, said this about RFK Jr.'s modus operandi: "Either cherry-pick from good science or take junk science to support his premise—this has been his playbook for 20 years." In other words, any peer-reviewed studies contradicting RFK's diktat were simply ignored to reach his conclusion.

If gutting vaccination compliance in America wasn't enough, he suspended our funding of Gavi, the international alliance that has helped vaccinate over *one billion* children across the planet, preventing an estimated *18.8 million* future deaths.

Then he began attacking gender-affirming care for minors, including puberty blockers, cross-sex hormones, and surgical procedures that he alleges are "neither safe nor effective." This is not wholly unwarranted, as many European countries (the U.K., France, Sweden, Denmark and Norway), all generally more liberal than America, have restricted or banned some of these treatments for minors. But RFK Jr. has again gone too far, trying to overrule the classification of *gender dysphoria* as a genuine disability and ban *all* treatment for those who really need it. Last March, a U.S. district judge ruled that Kennedy overreached in his assertion that gender-affirming care did not meet medical standards of care.

Next on Junior's target list for demolition: the Affordable Care Act, which Republicans have been aching to kill ever since it was passed. RFK has reduced the window for enrollment, cut back on eligibility and increased costs for low-income enrollees, thereby jeopardizing health insurance for an estimated 1.8 million Americans.

Years ago, RFK Jr. was a champion of the environment, litigating lawsuits against corporate polluters and their paid-off enablers in Congress. But then he became obsessed with vaccines and fringe conspiracy theories and steadily slid downhill till he joined the most incompetent administration in American history. Such a waste of talent and betrayal of the Kennedy spirit. The head of Health and Human Services in America has clearly forgotten the main rule of anyone serving in the medical field: First, do no harm. H

MOLLY MORMON NO MORE

PHOTOGRAPHY BY
ELLEN STAGG

I grew up in the Mormon church, and I was considered a Molly Mormon—a *very* good girl who never broke any rules. I'd say I've changed a lot since then. These days, I'm fun, outgoing and, yes, confrontational—I'm usually the pit bull of the group among my friends. I can be very intense. If I have a problem with you, you'll find out immediately. I am all about confrontation versus talking behind someone's back!

"Sexually, I'm pretty up-front too. I'm not afraid to say what I like. I enjoy both men and women—I'm definitely bisexual. As far as body parts go, I am an avid boob lover. I can't get enough of them! One thing I'd really like to try is a threesome with two guys—it's a favorite sexual fantasy of mine.

"Of course, I've had my share of sexual adventures. The first time I got fingered was on a cruise, in the hot tub during the day. I even had some friends walk by and have a whole conversation with me! Maybe that's what started my exhibitionist lifestyle? ;)"

Beauty. Personality. And, oh, my fucking God, those legendary breasts. Jenna Foxx first graced our pages in 2017. But readers clamored for her return, and we listened, with two more feature layouts and several sizzling HUSTLER Videos. Along the way, we learned a thing or two about Jenna: "I'm a country girl. I like to ride horses and dune buggies." She told us how she loves to wear her "shortest, tightest dress" to shake her booty, described the time eating pot brownies with friends turned into an orgy and confessed to being "very much into MILFs and cougars." We listened and became fans for life! Welcome to scenes of a much-loved HUSTLER Superstar!

PRETTY PLEASER

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

I definitely had a ho phase when I was younger—I think I might have slept with most of the guys in my school! My reputation was well known, so I guess it's no shocker that I was pretty popular with the boys. I have zero regrets about it. I mean, look at the line of work I'm in! I love that XXX has given me so much room to express who I am sexually. I get to fuck so many hot girls and guys in my job, and I am so grateful for that. One thing I'd like to do is further explore my kinky side in front of the camera. I'm way into bondage off-camera, and I would love to get tied up and banged more in my scenes. Pretty please?

"Speaking of pleasing, I live for making my partner feel good. I love it when someone eats me out and makes me come, of course, but I get wet just from sucking a dick and knowing I'm turning the guy on. I aim to please—Liz Jordan at your service!"

MULANI

TEX-MEX TEMPTRESS

PHOTOGRAPHY BY
DIGITAL DESIRE

Is this babe as oversexed as she looks? "It's true!" Mulani insists. "People think I'm kidding when I say it, but I need sex at least twice a day. I need a cock all the time."

Her biggest concern is keeping one around. "The worst is when I meet a guy," Mulani explains, "and he thinks it's cool I'm so sexed up. But then a couple of weeks later he's begging me to stop because he's tired and sore. I've lost a lot of good boyfriends because they couldn't keep up."

What happens if Mulani doesn't get sex every day? "Oh, I always get it," she insists. "But sometimes I have to take matters into my own hands—literally. Masturbation is always an option when I can't find the right man to play with."

MULANI'S VITAL FACTS

HOMETOWN: **Keene, Texas**
AGE: **23** | HEIGHT: **5-4**
FAVORITE POSITION: **All of them**

It's easy to see why the Texan temptress wears out her lovers. "I'm very active in bed," Mulani admits. "I like to be on top, on the bottom and in every position possible. Since I'm small, I can really go to town and switch positions quickly. If a guy is big enough and strong enough, I can even be a spinner. Just thinking about sex makes me a little wet. If you'll excuse me, I have to take matters into my own hands again. Right now!"

GIA OHMY

ANAL! ANAL! ANAL!

PHOTOGRAPHY BY
THISYEARSMODEL.COM

A few fun facts about me: I'm a total diva, giving blowjobs makes my pussy wet, and I have an identical twin sister. In fact, she and I have danced at the same club. You'd think that would be a big turn-on for guys, but the customers thought we were lying about being twins because she's a redhead, LOL!

"When it comes to dicks, size definitely matters to me. When I get fucked by a big, fat cock, I literally shake with pleasure. The only downside is that I have a very tight, delicate pussy, so I can't take big dicks for as long as I'd like to—and I really like to take my time during sex. I hate it when men focus on fucking as fast as they can. Speed is not the same thing as skill, fellas!

"Another thing about me: I absolutely *love* anal sex. I come so much harder from getting fucked in the ass than I do from vaginal sex. They say that the way to a man's heart is through his stomach, but the path to mine is straight up my butthole!"

50 QUESTIONS

TANYA TATE

BY MISSY MARTINEZ
PHOTOGRAPHY BY
WILL DYNAMITE
(IG: @WDYNAMITE_1)

FOR OUR NEXT INSTALLMENT OF HUSTLER'S "50 QUESTIONS" SERIES, WE CAUGHT UP WITH THE AWARD-WINNING, SCINTILLATING SCOUSER, TANYA TATE. THIS PORN POWERHOUSE FROM ACROSS THE POND TALKS POKÉMON BBQ, THE DEFINITION OF *SNATCHMUPPET* AND SQUIRTING INK WHILE ORGASMING. GRAB YOUR TEA AND YOUR LUBE…AND LET'S GIVE IT A GO WITH THIS HALL OF FAME MILF.

HUSTLER: Congrats, you just became the next wrestling star! What's your wrestling name, and what outfit would you wear?
TANYA TATE: It would have to be purple and turquoise, which are two of my favorite colors. A few years ago, I actually had an outfit custom-made to promote my FeelStars Tanya Kiiroo stroker toy, in a wrestling themed shoot. We had Big Daddy in the U.K. wrestling world, so let me introduce you to British Mummy. She would lure you in with her charm, good looks and seductive voice, making you think she is all sweetness. Then she locks you in a hold until you fully satisfy her. My wrestling outfit would be bold, colorful and tight. I would want it glamorous but fierce, because British Mummy never comes to play. She comes to conquer.

2. Choose a curse: vomiting uncontrollably any time you see a man wearing a fedora *or* any time you see a woman wearing a fanny pack?
I am honestly fine with either. I call a fanny pack a bum bag, and I actually own one, so I would have to go with the fedora hat. Anyone in a fedora would be best off taking a wide berth…

3. Speaking of curse, what curse word do you say the most, and how often do you say it?
Haha, that would be every time I talk to my fans. I love to call them a "dirty bastard," especially when I know they are wanking—i.e., jerking off—for me at that very moment. "Fucking wank that cock, ya dirty bastard." If I am on a particular bossy phone call, I may be saying it 30 to 50 times a day.

4. You were given the ability to merge two animals together. What are they, and what would you call this new creature?
Dog plus panther equals "panthound." Loyal and loving like a dog, but sleek, mysterious and predatory like a panther. Cute and cuddly, but will pounce and dominate.

5. How many open tabs do you have on your internet browser right now?
Too many. I have about 20 tabs open on my MacBook and two phones sitting next to my computer each with Mynx and OnlyFans open. It is a miracle I remember which screen is which. I think I have become a professional tab juggler at this stage.

6. Finish this sentence: "________ is better than sex."
Deep tissue massage. I know it sounds lame, but I have had some of the best massages and stretching sessions with a bit of Reiki thrown in, and I feel amazing afterwards. It is so fulfilling. I come out feeling calmer and genuinely renewed. It is the closest thing to a spiritual tune-up I have had.

7. What item in your house constantly goes missing?
Probably socks. I put them in the washing machine as a pair, and I end up with mismatched ones on the other side. How does that even happen? Somewhere there is a black hole filled entirely with my socks.

8. What's the weirdest thing we'd find in your purse?
The number of glasses. I have convergence, so I need prisms in my glasses. I have close-up for computer, close-up with sunglasses so I can read by the pool, distance for driving, and distance with sunglasses. They are all in different sparkly cases so I can figure out which pair is which. My purse is basically a mobile optician's office.

9. What movie have you seen *so* many times that people would be surprised?
Mary Poppins. I love that movie and all the songs. I love singing. I once went to Comic Con dressed as Mary Poppins. It is whimsical, nostalgic and everything magical all in one go.

10. If you came with a warning label, what would it read?
"Do not let my sweet smile and calming voice fool you. You are about to enter my lair. BE WARNED: You will get big feelings. You may fall in love. Some people never recover, and I am told withdrawal can be severe."

11. Do you have a nickname for your amazing pussy?
I had a nickname when I worked in a bar in Liverpool, U.K.: Speedy. I got it because when I first poured wine, I was super slow trying to get the measure right. It stuck with me as a term of endearment. Once you get inside my pussy, with all the right filthy words being belted at you from me, I am not sure how long you would last. It might be a speedy explosion on your behalf. So I will stick with Speedy.

12. What is your phone's lock-screen wallpaper right now?
I am a real-life mum, so of course mine is of my lil' man. My phone displays rotating photos from his album on my phone. I smile every time I pick it up.

13. Oh, no, an evil clown just cursed your vagina! You have to choose: have a burst of confetti shoot out of your pussy every time you orgasm *or* have a poof of glitter blast out?
Glitter for sure. I love everything that sparkles. It would look like a party every time.

14. How different would your life be if you were a breakdancing champion?
If I were a breakdancing queen, I would be spinning into every room like I was headlining some underground competition. I imagine myself using my moves to distract men before dragging them backstage for a proper meet and greet. I would probably have abs of steel from doing head-spins, and I would have a whole new catalog of show-off tricks. I can see myself doing meet and greets at a convention where one moment I am performing a windmill and the next I am drinking tea, adjusting my lipstick and chatting to fans like it is a completely normal afternoon. >>

15. What Pokémon do you think would taste the best barbecued?
Tauros, as it is literally a bull. Imagine perfectly sliced prime rib with crispy burnt ends and a little smoky seasoning, grilled to perfection. That would be one BBQ plate to destroy. I would serve it with proper British chips, not skinny ones.

16. You're a fan of the theater, especially musicals—which one would be 100 times better with a full-on graphic sex scene?
Phantom of the Opera is one of my all-time favorites. There is lust simmering beneath every scene. I can easily picture a massive orgy at the masquerade ball. Christine being consumed by both Raoul and the Opera Ghost and, yes, one scene with a DP thrown in for good measure. It would make the musical even more intense.

17. You've been cursed again. Choose: Never have Liverpool F.C. win again or have every cum load you encounter taste and smell like raw onions?
I hate the taste of raw onions, but I want my team Liverpool F.C. to win. I would compromise and never allow a facial or finish in the mouth. Complete on me or in me, where I cannot taste or smell it. Got to take a load for the lads to win.

18. Speaking of Liverpool, that's where you're from! What's something anyone visiting *must* know before heading there?
There is so much more to the U.K. than London. We do not all speak like the Queen. There are loads of accents. You can go from Liverpool to Manchester, which is about 30 miles, and hear around five different accents along the way. Northerners are way friendlier than the "Southern softies," LOL. Liverpool has the best humor, best banter, proper community spirit, and you will never be short of someone to talk to in the pub. Liverpool is BOSS!

19. Confined spaces are one of the things you are *not* a fan of. For $1,000,000, would you film a scene in a dark, tiny box in which you have to actually orgasm—no faking allowed?
I am not a fan of confined spaces at all. How could I even interact with another person in such a tiny box? I would have them do all the work. I would shut my eyes, lie back and think of England, as they say. For that amount of money, I would at least give it a go.

20. You've recently returned to shooting not just content with other stars, but mainstream scenes too! What prompted that comeback?
It had been well over a decade since I shot BG [boy-girl] with mainstream XXX companies. I came back and shot four scenes for MILFY, including my first anal and my first IR [interracial]. I never made them happen back then. I shoot BG collabs for my premium social media now, and the biggest difference is, I choose every single person I collab with. Back in the day, you might arrive on set and your agent had not even told you who it was you were working with. Now everything is in my hands, and I love that creative control. It is one of the things that I love about shooting for myself.

21. You are skilled at something most people may not realize—knitting! What is the most unique item you've created with your trusty needles?
I used to knit at school and make clothes to fit Sindy or Barbie dolls. I sold them for 10p or 20p each, which felt like a fortune at the time. I imagine, if I picked up my needles again, I could probably knit a G-string if needed.

22. You actually ride motorcycles, but you traded your ride in for something we all enjoy now. What was it?
I wanted to pass my big bike test, so I did it. I bought a Suzuki SV650S, added a belly pan and rear hugger in turquoise blue. I only used it on Sundays for rides in the country lanes. Eventually I sold it and traded it in for a boob job. I went from a deflated 34C to a 34E/34DDD. Best trade-up ever! Paid for itself many times over. I miss the bike, but I got a different kind of daily ride with a pair of lovely big, bouncy boobies!

23. You've just been given a museum of items, but there's a catch: They're all haunted and cursed! What's the cursed artifact inside that you'd avoid at all costs?
Honestly, every single one. I do not like cursed things. I had a Stephen King trilogy once that included *The Shining*. I had to throw the book out because I was so scared of the cursed room. Do not go into Room 237. I am such a scaredy cat that I would basically run the museum from the car park with binoculars.

24. You're a kid at heart and love theme parks! How often do you get recognized?
I have never been recognized in a theme park, but I have been recognized at Comic Con, train stations, airports, restaurants, shops. All the experiences have been nice. People are generally very respectful. Sometimes they will message me after, saying they saw me. I ask, "Well, what I was wearing, and what was I doing?" because I want to make sure they did actually see me. Then I ask why they did not say hi, and usually it is because they were with their wife, which would have required some explaining that might have put them in the doghouse.

25. Anyone with eyes can tell that you take amazing care of your body. What does being in shape help with the most?
Being and feeling in shape helps you on camera. I feel sexier and tighter, and it makes me more confident. I also have more stamina and am able to bounce without getting out of breath. Legs of steel and endurance like a marathon runner…but in a much more enjoyable sport.

26. You're not only a sexual dynamo; you're a boss bitch! What traits do you find have made you a powerhouse in XXX?
I am determined. Once I have a goal, I keep it in my mind and work towards it constantly. As a kid, I wanted to be on *Top of the Pops*. I never made it singing, but I made it to late-night TV making a different kind of noise. I believe in treating people kindly and never letting anyone force you into something you do not want to do. Believe in what you are doing. Many dreams take longer because they are waiting for *you* to be ready. I hosted *The Tanya Tate Show* on Vivid Radio on SiriusXM for over seven years, which gave me a place to really connect with fans. I also host *Tanya Tate Presents Skinfluencer Success*, my podcast helping creators maximize earnings on premium social platforms, available on YouTube, Patreon and all major podcast platforms. >>

27. As a Scouser, is there a specific phrase you say that completely goes over us Yanks' heads?
Definitely "made up." If I say "I am made up" or "I am made up for ya," it means I am very happy about something. It does not mean I just had my hair and makeup done and slipped into something sexy.

28. You knew this was coming: Please defend English food.
Yanks say British food is boring, but I love it because it is what I grew up on. Try traditional fish and chips, where the fish is a big battered piece, not a skinny fish finger, and the chips are proper chunky chips, not stringy. Jam roly-poly with custard, apple crumble—without cinnamon!!—a pasty or sausage roll, shortbread biscuits and the good old British Sunday dinner. Yes, there is a lot of stodge, but if you are not slightly comatose after a British dinner, you are doing it wrong.

29. You come home from a long day on set and find a 30-foot-long anaconda in your bathroom. What do you do?
Scream and run. Then I would go on Facebook and look for a Steve Irwin-style hero. There is actually a local man who captures and releases snakes back into the wild. I am not sure he would check all of my other boxes, but he could definitely help get the snake out of the house.

30. You just found out that when you die, you're going to be reincarnated as a tiger. How do you start preparing for it now?
I would start practicing long naps lying in the sun, stalking my food and eating my lovers after I am done with them. I would get extra-sharp nails and start marking my territory mostly in men's beds. I would study big cats and buy a few more leopard-print outfits to get myself into the mindset.

31. What mainstream Hollywood film has the hottest sex scene?
Basic Instinct, Sharon Stone. We all remember the skirt and the legs. Iconic scene from that movie. The anticipation was sexier than anything.

32. Okay. Now, what Hollywood film sex scene would you want to cast yourself in?
Pretty Woman. I watched it on a school trip on a video cassette on the coach, thinking, *Is that what the U.S. is really like?* I was told I looked a bit like Julia Roberts, probably the big smile. I feel like I have become some kind of real-life *Pretty Woman*. My fans are very generous.

33. The title of your sex life favors a TV show you watch. What is it?
Coronation Street. It is a U.K. soap about a street in Manchester and has been on TV for over 60 years. There is always drama. One woman is banging both brothers, another got caught by the window cleaner with the local footballer, and a scaffolder is jealous of the vicar. Throw in two hot women, and yes, I would bang them both.

34. Besides lingerie, what outfit do you feel the sexiest and most fuckable in?
Simply a short, tight dress that shows every curve, with long legs and heels. Sexy, seductive and easy to get off.

35. Which are better, English or American terms for sex acts and naughty bits?
Bum cheeks is your butt cheeks, *bum bag* is a fanny pack, *fanny* is a pussy, *bellend* is a dick, *wanking* is jerking off, and *shagging* is having a good fuck. Let's be honest, British slang wins every time. It's cheekier, funnier, and we can say the filthiest thing, looking all prim and proper, with a cup of tea in hand like it's perfectly normal.

36. If you could have any celebrity follow you on social media, who would you choose?
Prince William and Prince Harry. The younger royals are not as stuffy as their elders. I am sure they would love a bit of daily filth to brighten their day. Proves everyone loves sex.

37. Now, what celebrity would you want to slide into your DMs?
Someone big and strong like The Rock. Oh, God, pick me up and bang me all around the wrestling ring. I would not want to tap out.

38. Which app downloaded on your phone would surprise us the most?
My apps are pretty standard. Fans might be surprised I have WhatsApp and Telegram, yet I never use them. People get scammed by fakes, who steal my content and pretend to be me. These people hand over money to scammers, or refuse to give more, and then find themselves blocked. Then they come looking for the real person in the photos. They stumble across me, asking, "Is that not you, Mary from Nigeria from WhatsApp?" I roll my eyes. What happened to due diligence? Put Mary's photo into a reverse image search and watch my porn pop up.

39. You're no stranger to award show accolades and recognition. What new category would you like to create and love to win?
The award for giving the most amazing orgasms. You cannot know unless you are the one receiving. It would need to be industry-nominated and -voted. I always do my best to make the other person climax. The best orgasms are the ones where the chemistry is right.

40. Choose one: kicking like a donkey any time you orgasm *or* squirting ink like a squid?
Squirting ink like a squid. Imagine every guy leaving covered in my delicious-tasting purple squirt.

41. On top of having an illustrious career, you have another very important job title—single mom! How do you manage that balance?
All my family live in the U.K., but a good support team helps. Being a single parent returning to the spotlight proves new chapters can be powerful and exciting. I honestly do not know how I manage it all. I multitask with two phones and a computer, and I schedule the physical stuff during school hours, renting a separate location. Mum still needs some fun.

42. Speaking of moms—what is the first thing that comes to mind when you hear the category MILF? >>

I've been honored 12 times as International MILF of the Year, so I definitely know my way around the category. Hot, busty, sexually confident older women who know how they want to be pleasured and seek out those willing to pleasure them.

43. Make up a fake curse word for us and give us its definition.
Snatchmuppet: Someone who cannot find their way around a pussy. They try hard and fail miserably.

44. Have you ever slipped up and said the word *soccer* when referring to a football club?
Yes, I have to say it now because I go to watch soccer class every week, and I am a soccer mum. Sorry to the other parents who see me in yoga pants and a crop top every week. When I talk about Liverpool Football Club and the Premier League, I always call it football. Real football is played with your feet, not your hands.

45. Tanya Ball is taking the world by storm! What are the rules of the game?
I imagine myself kicking balls as soft or hard as I want. The rules, I make them up as I go and decide what the punishment or pleasure is when it comes to rewarding the right action. You will not know if you are winning or losing until I tell you. Don't answer the question correctly, and let's see what your prize is…

46. How many sex toys would you say you own, and have you named any of them?
Probably around ten. I had some toys that melted together, so I had to get rid of them. One I could not fit in my mouth. I have a mini torso that I like to ride. The best are the real-life dildo-looking ones that feel more realistic when they go inside, paired with the Hitachi on my clit. I have my own Feel Tanya stroker toy from Kiiroo along with a Keon box and PowerBlow. I have a dozen Feel Tanya strokers in my garage. Does this count towards my personal toys?

47. Scientists have just discovered a beautiful yet deadly creature named The Tanya Tate! What makes it so deadly?
You are deeply attracted to her. One kiss and you cannot think of anyone else. You are in love with her for the rest of your life. One false move and you are injected with her squirt venom, deadly to those who do not pleasure her as she requests.

48. You have a strong dislike for clowns. What would it take to make one fuckable?
Put a bag on their head, strip them naked, and tell them to not say a word.

49. What's the biggest sex-related lesson you learned the hard way?
Fans can fall deeply in love with Tanya Tate. Then, when reality kicks in that it is not a real-life exclusive relationship, I have had fans lose their minds. I should come with a warning. I do my best to give everyone the best Tanya Tate experience they could ever have. It can be mind-blowing and intense. One thing is for sure: It is very memorable.

50. What can your fans expect next from you?
I love interacting with fans and making their dreams come true. If I can make someone feel uplifted and loved each day, then I feel fulfilled. Expect more content made for my fans' enjoyment. I also connect with fans beyond adult content, through weekly YouTube live streams, where I share real-life bits of my day. More personal interactions via lives and calls, and brand-new collabs. I post new content daily on OnlyFans, ManyVids, LoyalFans and Mynx. Fans can chat with me directly through Mynx and OnlyFans, with calls, texts, video chats and custom content. All the good stuff happens on my verified premium social media platforms. See you over there! H

ACT NATURALLY

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

I'm actually kind of shy, which might sound weird for someone in porn, but it's not, really. The adult industry allows me to open up in ways that are more difficult for me in the outside world. I acted in a lot of plays in school, so I've always been comfortable on a stage, and it's great to be able to act when I'm filming a scene. The exception to that is the sex. I strive to make that as natural as possible and just get lost in the moment. That makes it more fun for both the performers and the people watching at home.

"My favorite part of the porn industry is that it's rebellious. It goes against the grain of mainstream society and what most people would consider 'normal.' We're renegades in what we do. Some people might love it, some probably can't stand it, but either way, *we're* having a blast!"

MARK LIT FOR DIGITAL DESIRE

A lot of people expected me to be a mainstream model,” declares the less-than-modest Alexis Texas. “After all, I do have a beautiful face and great tits. But I also have a nice, big ass. I decided early on there weren’t that many girls in porn who look like I do and have my ass. I knew that combination could be a big moneymaker.”

So did Alexis enter the jizz biz just for the dough? “Hell, no!” the onetime barmaid asserts. “You’re forgetting the important part. I love sex, especially anal, and being an adult actress means limitless screwing. A lot of girls claim to be nymphomaniacs, but I really am one. I need to get at it at least once a day. I go through boyfriends pretty quickly because most guys just can’t keep up.”

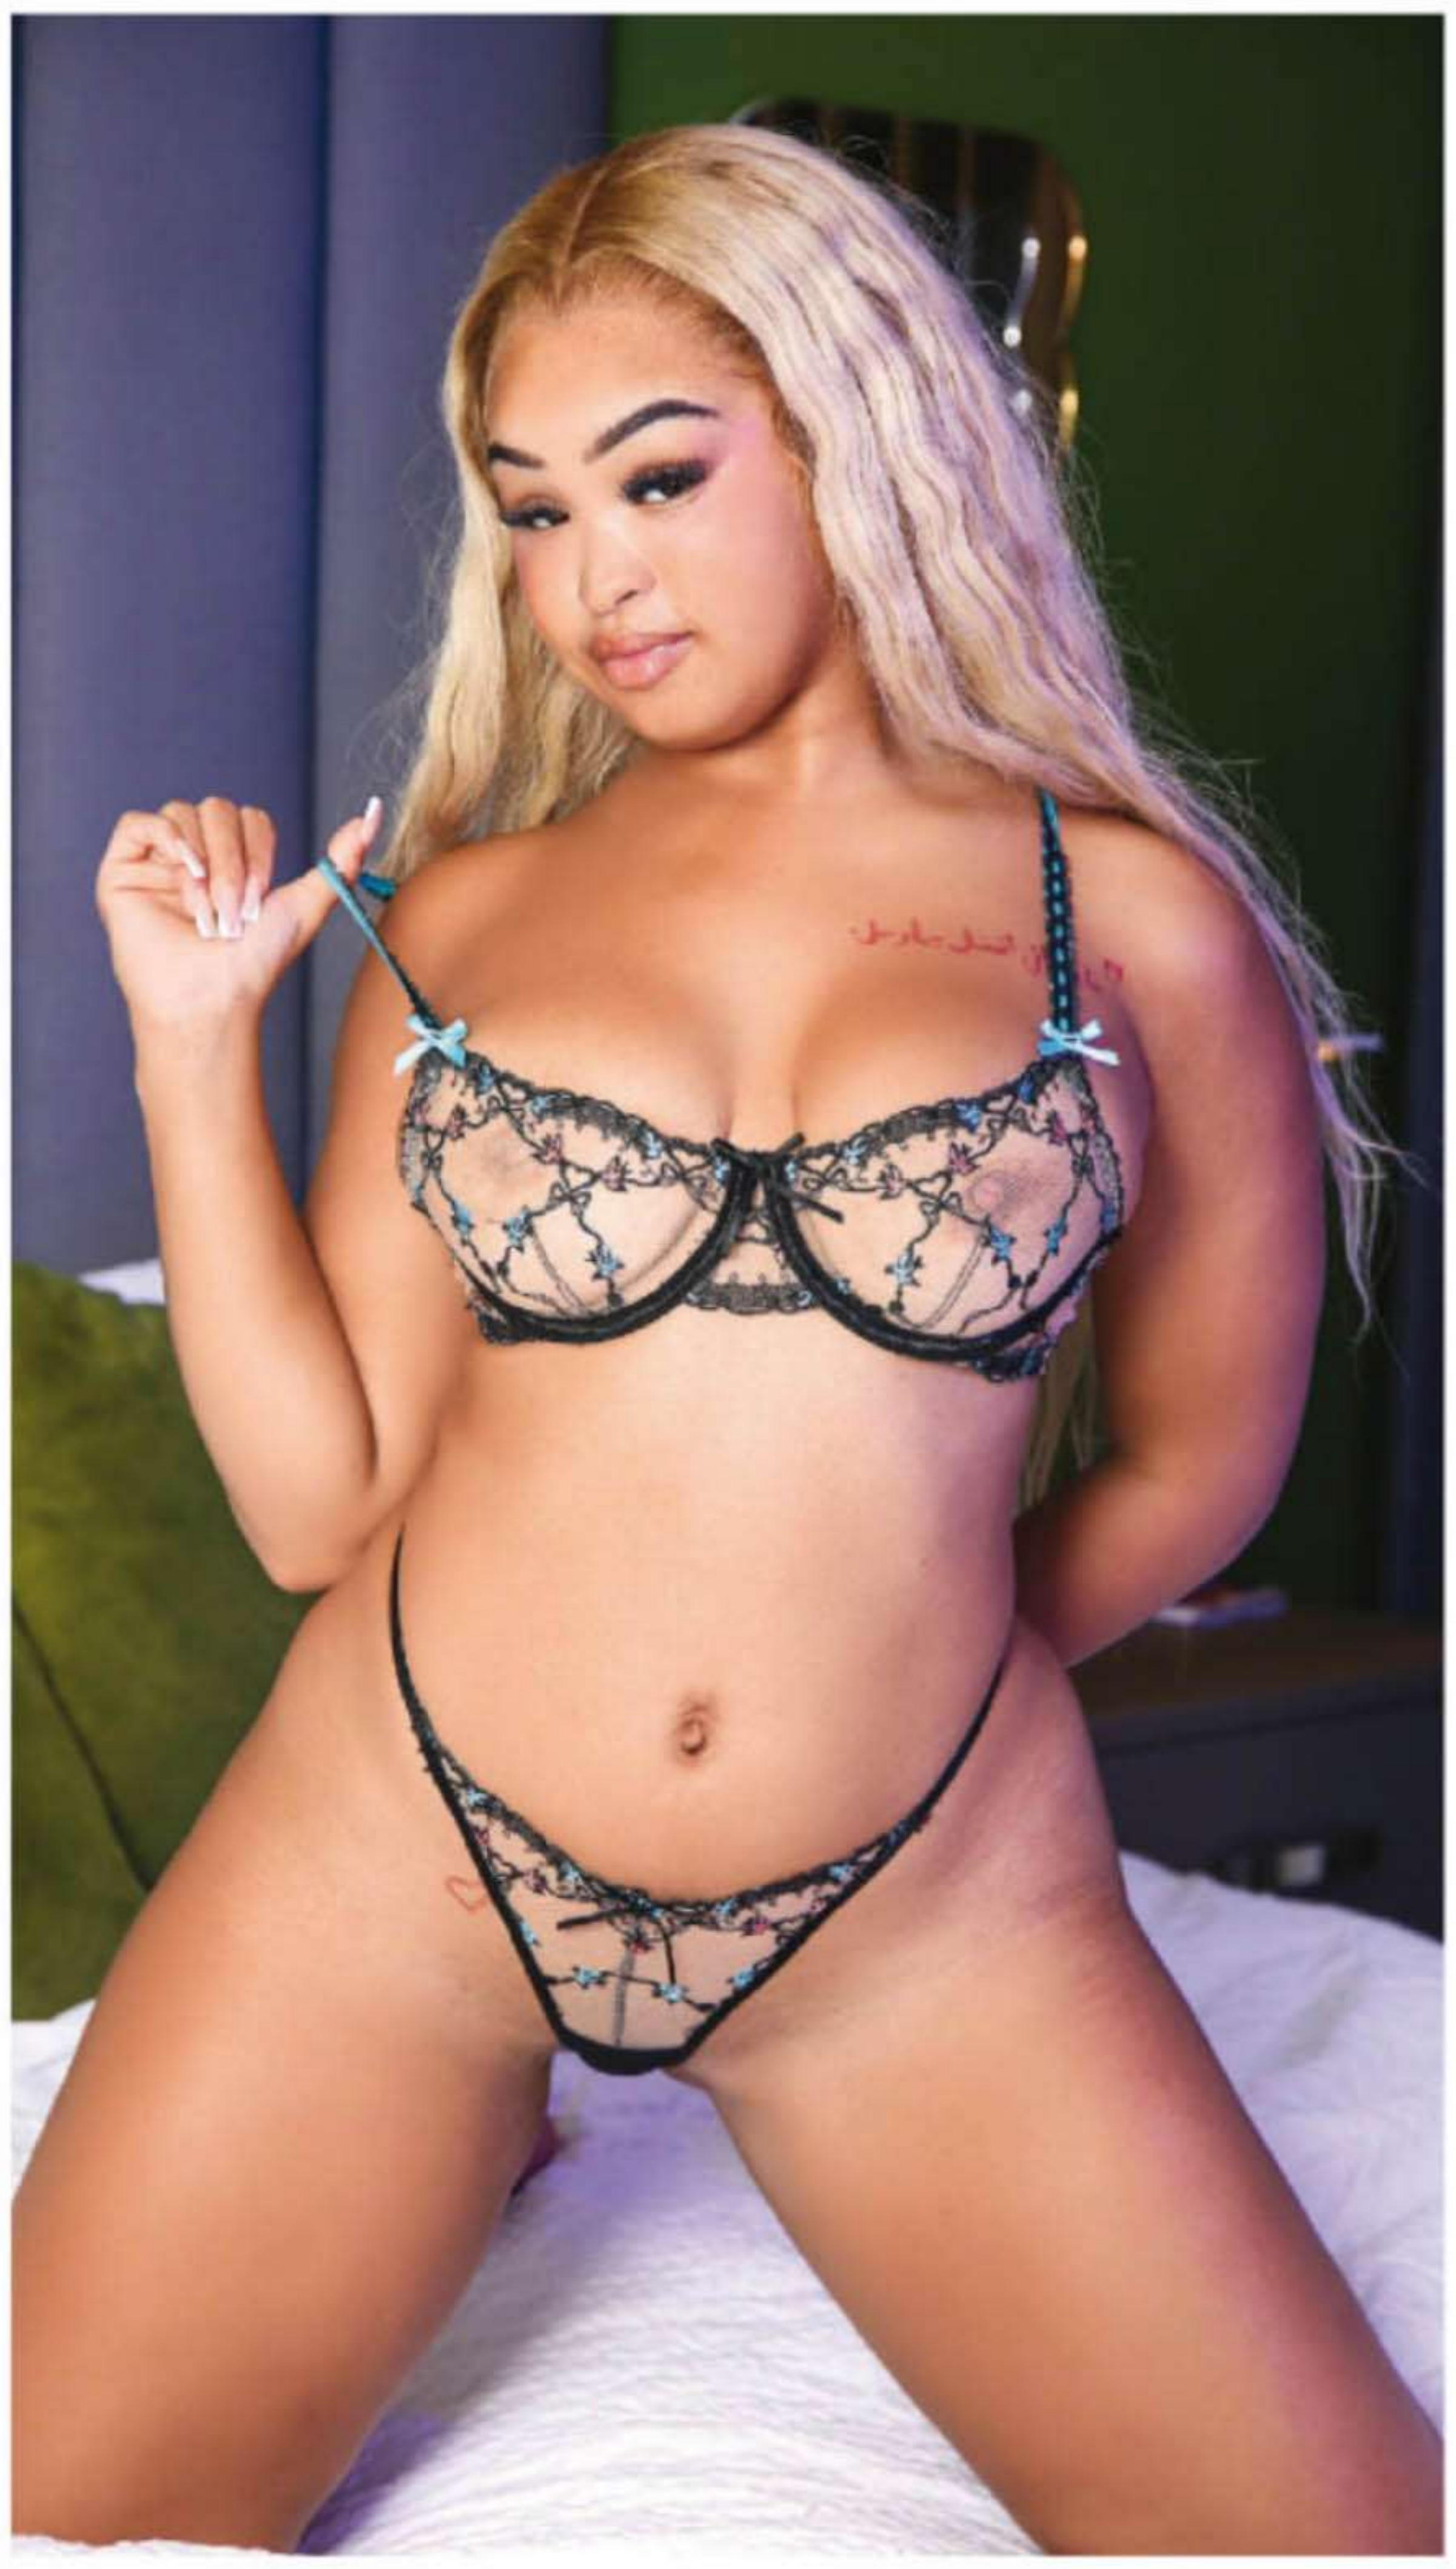
WELCOME TO VOYEURS' FAVE AMATEUR SHOWCASE SINCE 1976!

BEAVER HUNT®

EDITED BY MORGEN "TEX" HAGEN



MINA MARIE

"I wanted to pose nude in HUSTLER because I'm proud of my body," proclaims Mina Marie, 24, a streamer and cam model from Houston, Texas. "As a matter of fact, it's safe to say I love my body." The 5-foot-1 Lone Star Stater goes on to tell us, "My personality is outgoing, funny and very adventurous. I like to go camping and find a new video game to play every month. I take gaming very seriously." When Mina Marie is amorously playful—be it on a comfy bed, a couch or in a tent pitched somewhere in an ideal spot—the bisexual bombshell is what's known as a switch. "I'm usually very submissive," she asserts, "but I can be dominant at times, especially with other women." *—Photos by Omnia Productions*

“Doggy-style is my favorite position when a guy is fucking me with all he’s got.”

Birthday Delights

These luscious Beavers are making curtain calls because they'll all be celebrating birthdays in June. "Nude modeling gives me a confidence boost," declared "outgoing, charismatic and spontaneous" Kitty Kewpie from Chicago, Illinois. Monica Minx—a XXX performer out of Lakeland, Florida—told us, "When I have free time, I enjoy hiking, painting and working out. As a matter of fact, my most daring tryst was having sex in a public gym." Rune Sipora from San Diego, California, was elated to be a skin-mag newbie in *Beaver Hunt*: "I'm a free-spirited soul and a living sex fairy. That makes me a perfect fit for your amazing magazine. I feel so special appearing in HUSTLER." Lexi Cloud—an aspiring cosmetologist from Youngstown, Ohio—confessed,"I'm proud of my body, and I want to show it off in HUSTLER. My fantasies are having sex in the woods and doing kinky stuff with multiple girls." Why did "happy, bubbly and self-confident" Samantha Joiner decide to join our world-famous Beaver colony? "I look banging," the former carpenter piped." Happy birthday, ladies!

"I love sucking a cock, getting hammered doggy-style and having my partner shoot a big load on my face, tits or ass after I come. I'm an inviting target."

KEELY ROSE

"I'm a thrill-seeker extraordinaire," professes Keely Rose, 28, from Santa Barbara, California. "I have a number of pastimes that give me the most wonderful rush. One of my favorites is driving up to Santa Cruz and spending a weekend riding the rollercoasters and other fun attractions at the boardwalk amusement park. I make great use of my season pass." The 5-foot-5 redhead continues, "For another thrilling experience, I just had to give nude modeling a shot. Having a man tell me he's liking what he sees before we have sex makes me all tingly inside. But, omigod, the thought of countless men all over the country admiring my naked body was an opportunity that was hard to pass up." So what are some of Keely Rose's biggest thrills? "During the winter I love skiing down a challenging mountain at a breakneck speed," she says. "That's always exciting, but for a super rush, I've also driven a stock car at a motor speedway and tried skydiving from 12,000 feet. It was a tandem jump with an instructor hitched up behind me. I could feel his boner while descending all the way to the ground. I almost came. I love getting fucked from behind." *—Photos by Tony F.*

"My fantasy is having sex with strangers I meet at an amusement park or ski resort. I'm very seductive."

ARE YOU AN AMATEUR EXHIBITIONIST 18 YEARS OF AGE OR OLDER? For information on how to be a *Beaver Hunt* model—and be paid $200—send an email to BeaverHunt@LFP.com.
